FROM

G. H. KRUMBIEGEL, Esq., F.R.H.S.,
DIRECTOR OF HORTICULTURE IN MYSORE, LAL-BAGH,
BANGALORE.

To

The General Secretary to the Government
of H.H. the Maharaja of Mysore, Bangalore.

Sir,

I have the honour to enclose herewith a plan showing some extra land applied for by the Cosmopolitan Club at Mysore for the extension of their tennis courts. Their present grounds extend to the line of trees marked in black and their requisition was to obtain another area sufficiently wide to form extra tennis courts beyond this line of trees. I consider that this would be going too far in the Park and proposed to them they should only take enough area to extend the present courts by cutting back the ground from the present slope marked in black to the new slope marked in red. This involves only an additional ground beyond the present line of trees by about 10 ft., the trees being transplanted to a position marked in red. Since these extra tennis courts are urgently required by them and the Club does make good use of them, I recommend that Government may be pleased to sanction this extra land to the Club.

I have the honour to be,
Sir,
your most obedient servant,

Director of Horticulture
